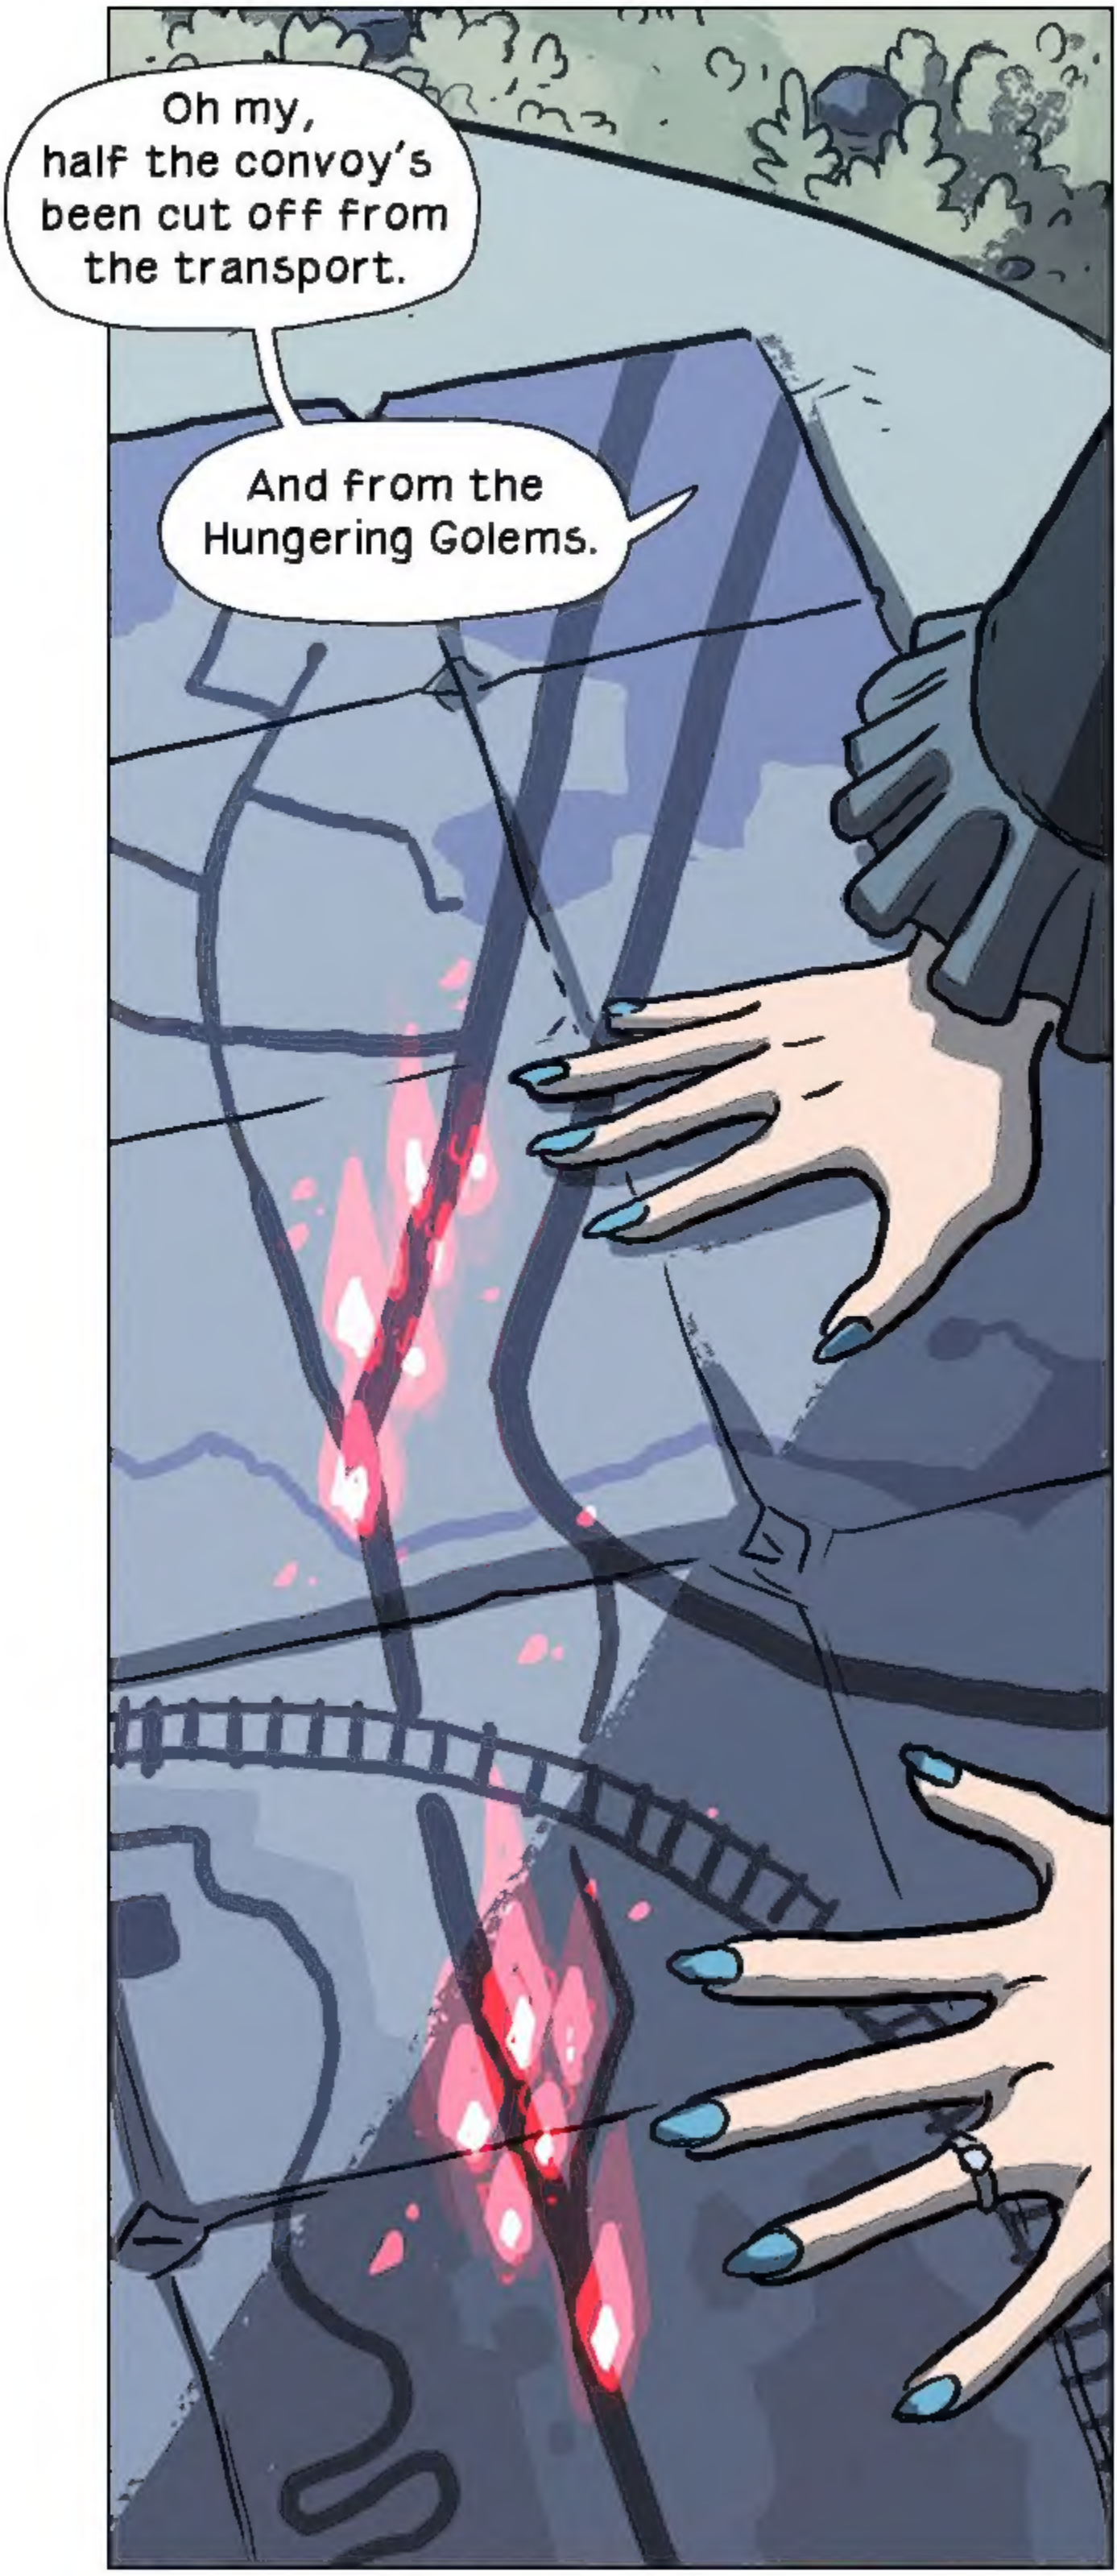
THE SWORD INTERVAL

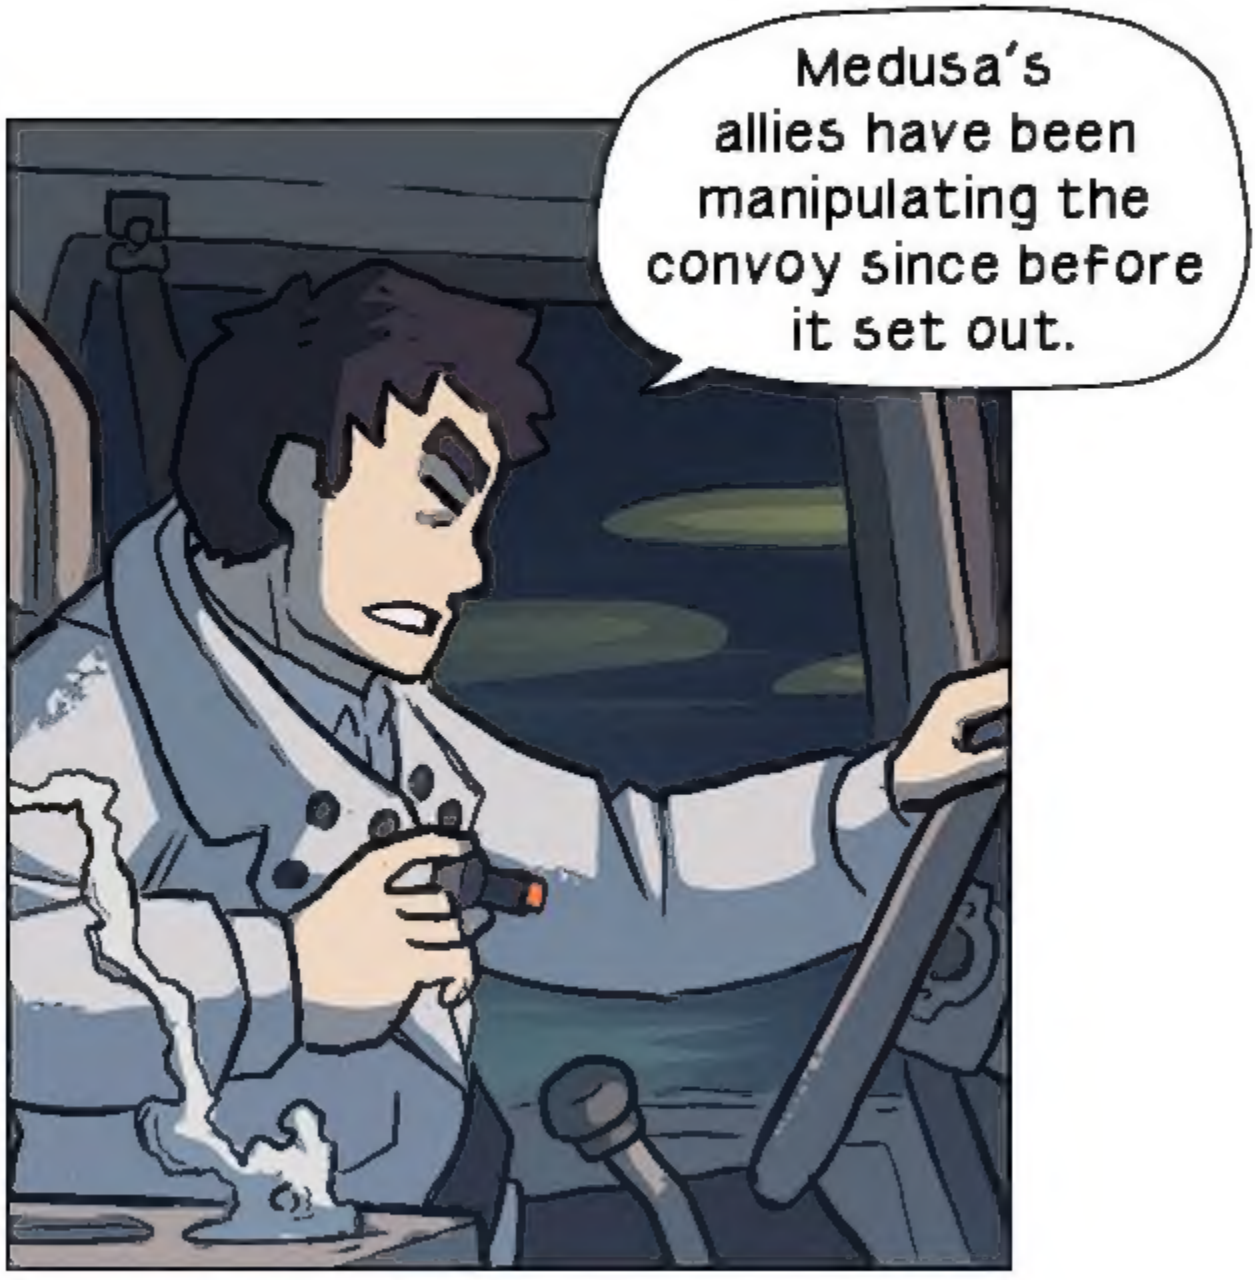
BY BEN FLEUTER



Oh my, half the convoy's been cut off from the transport.
And from the Hungering Golems.

Bad luck.
cough

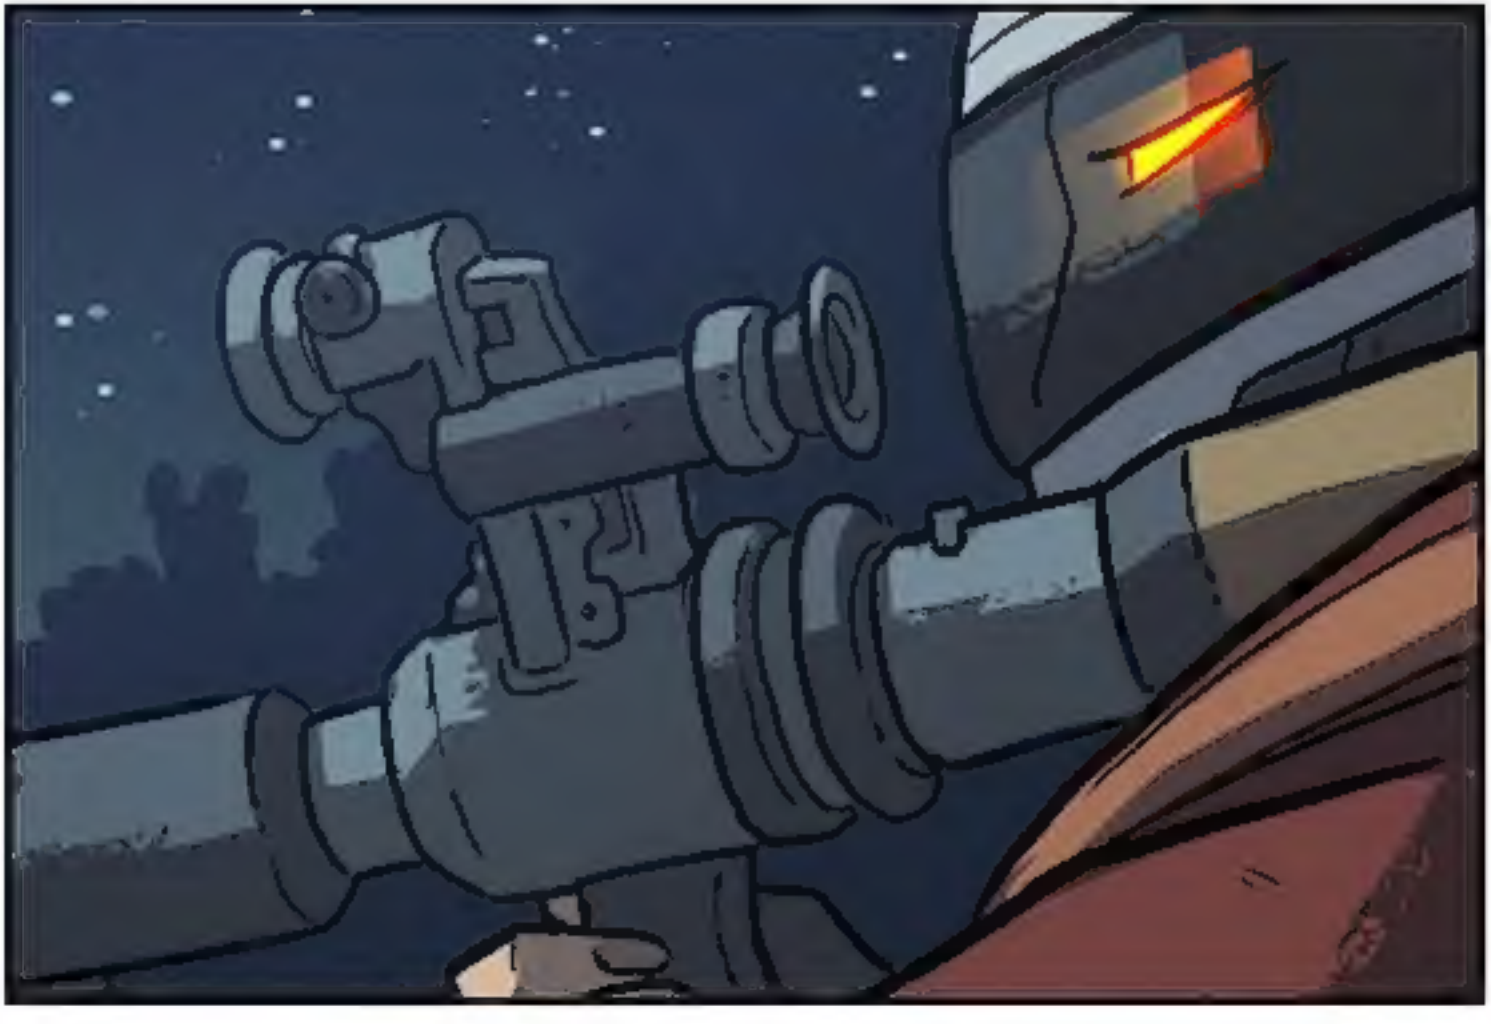
Verdant. What's going on?
Doomsayer's not wrong.
The ravens are familiars.

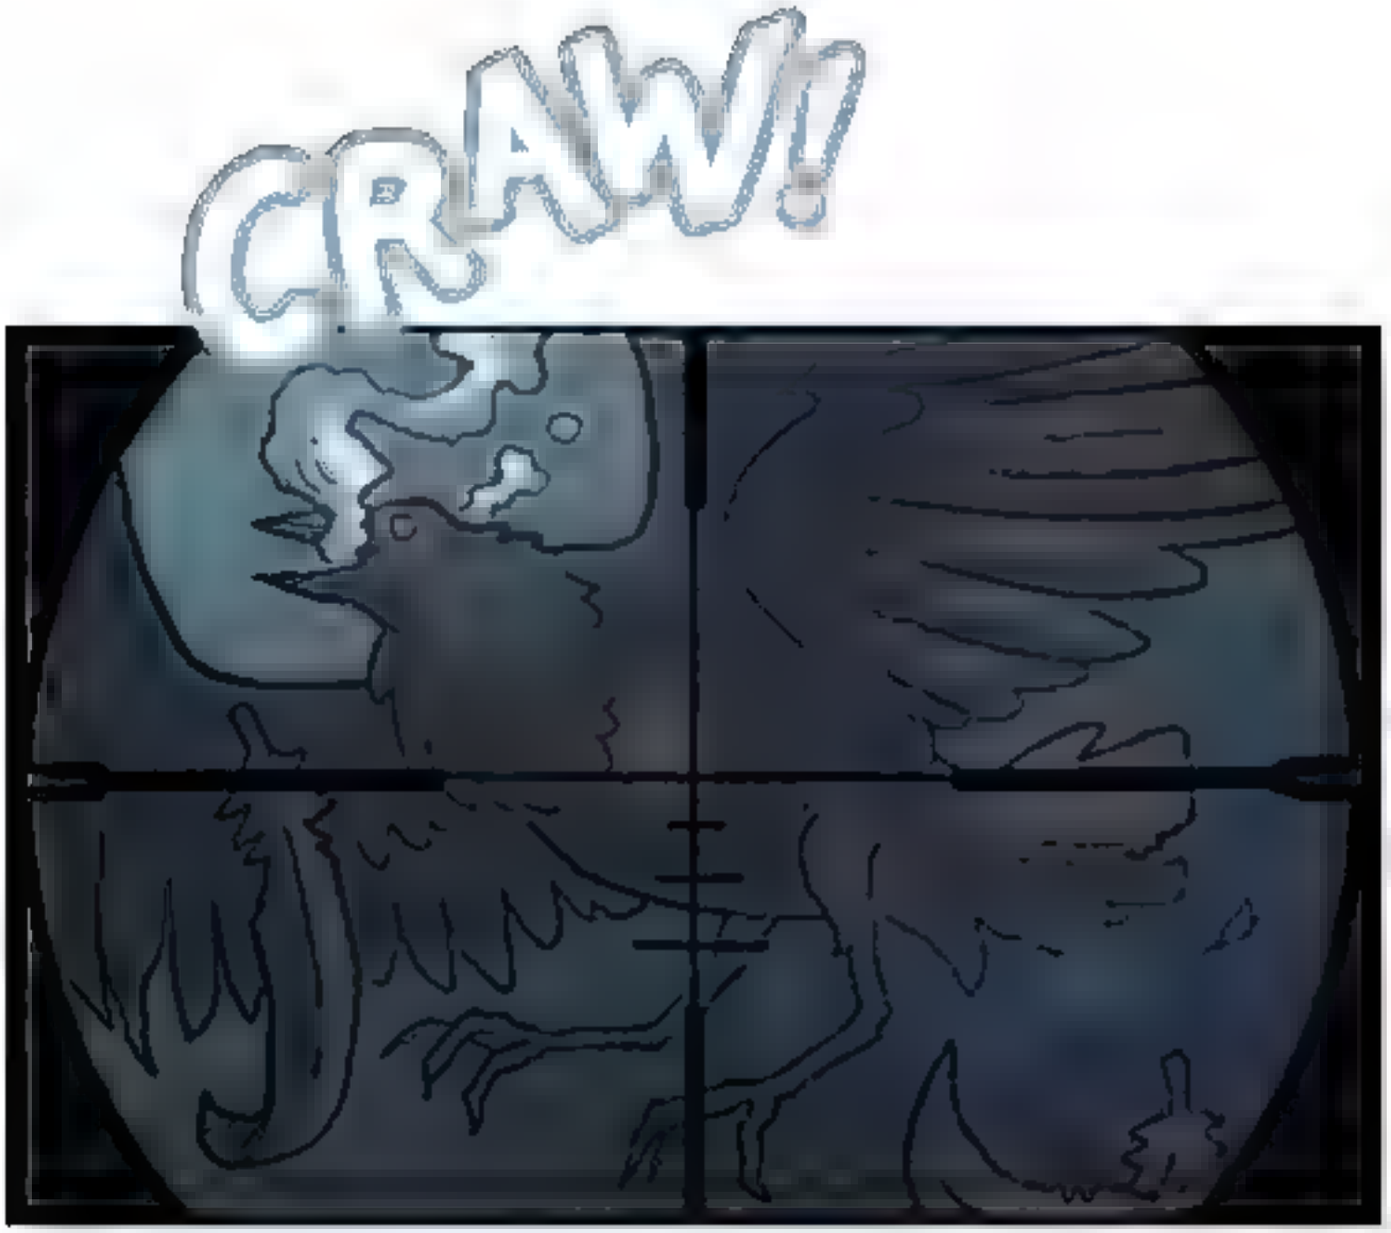


Medusa's allies have been manipulating the convoy since before it set out.

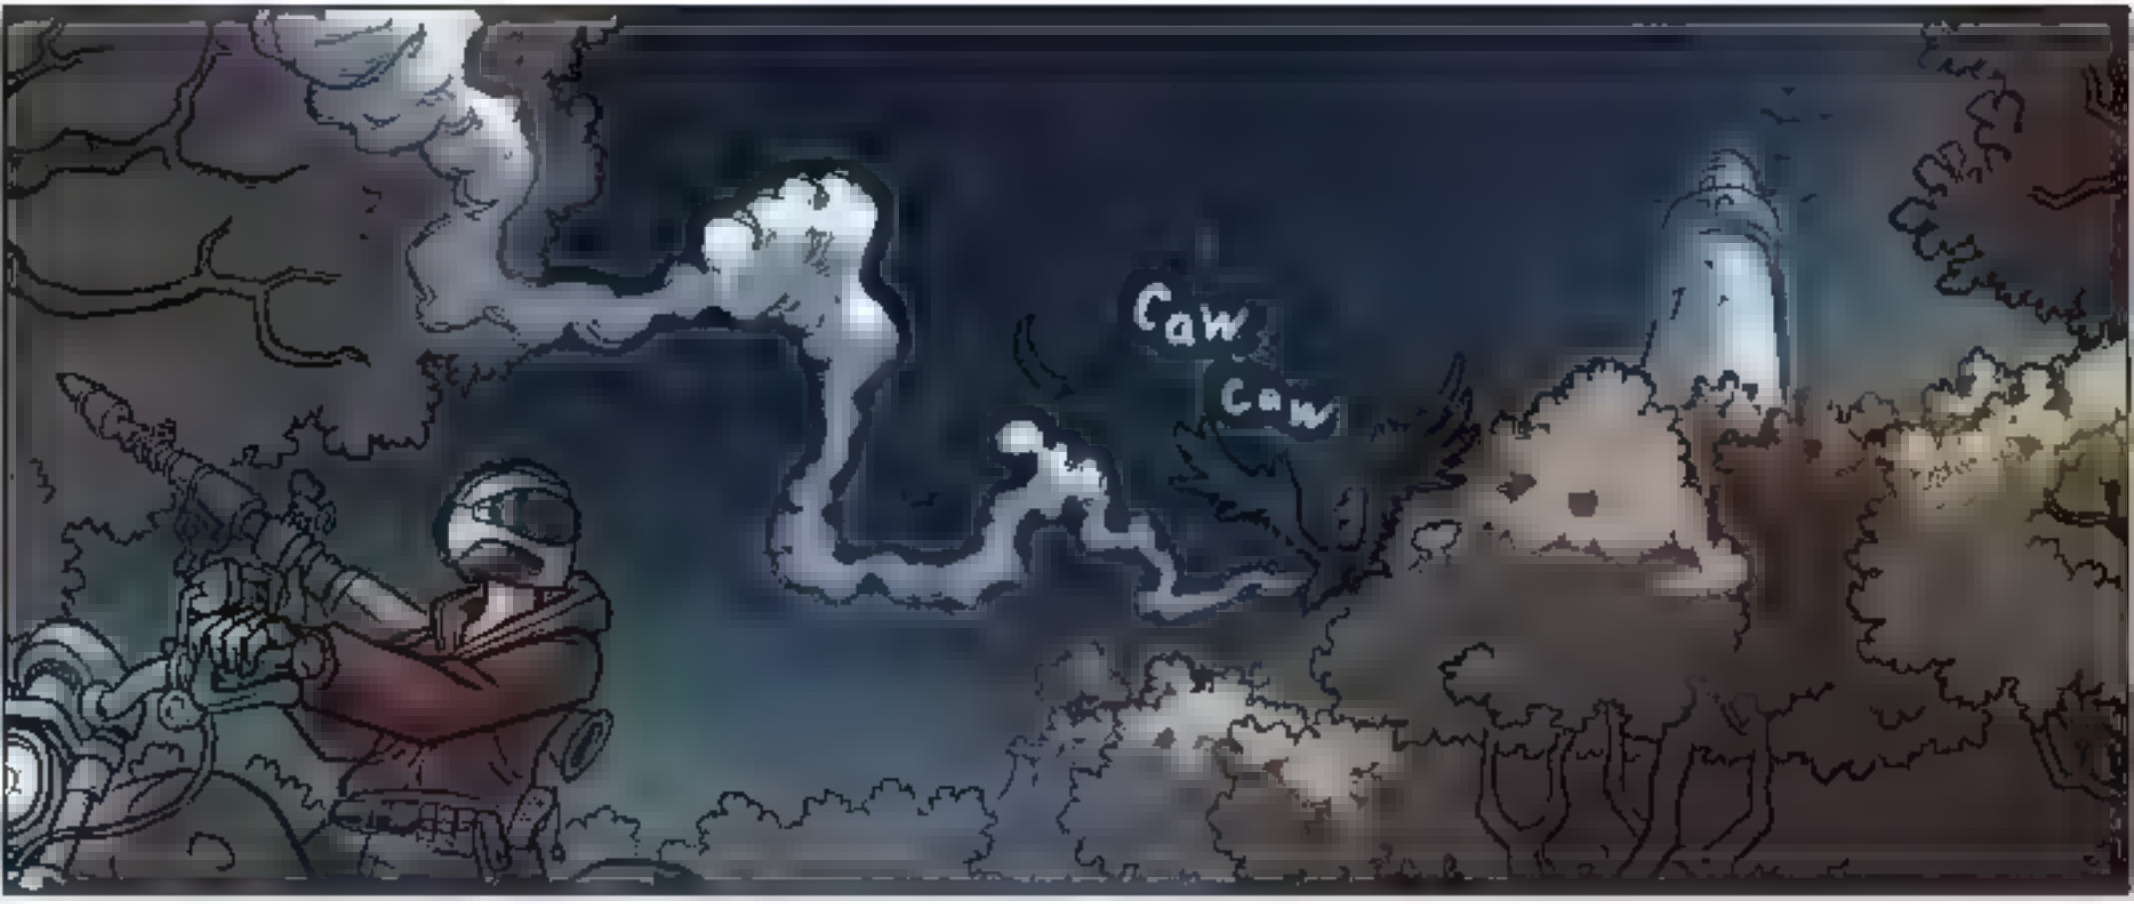
If so, they may have made our job easier. Most of the escort's fallen behind.
This could be an opening.
Barros.

Are you able to make us a distraction?

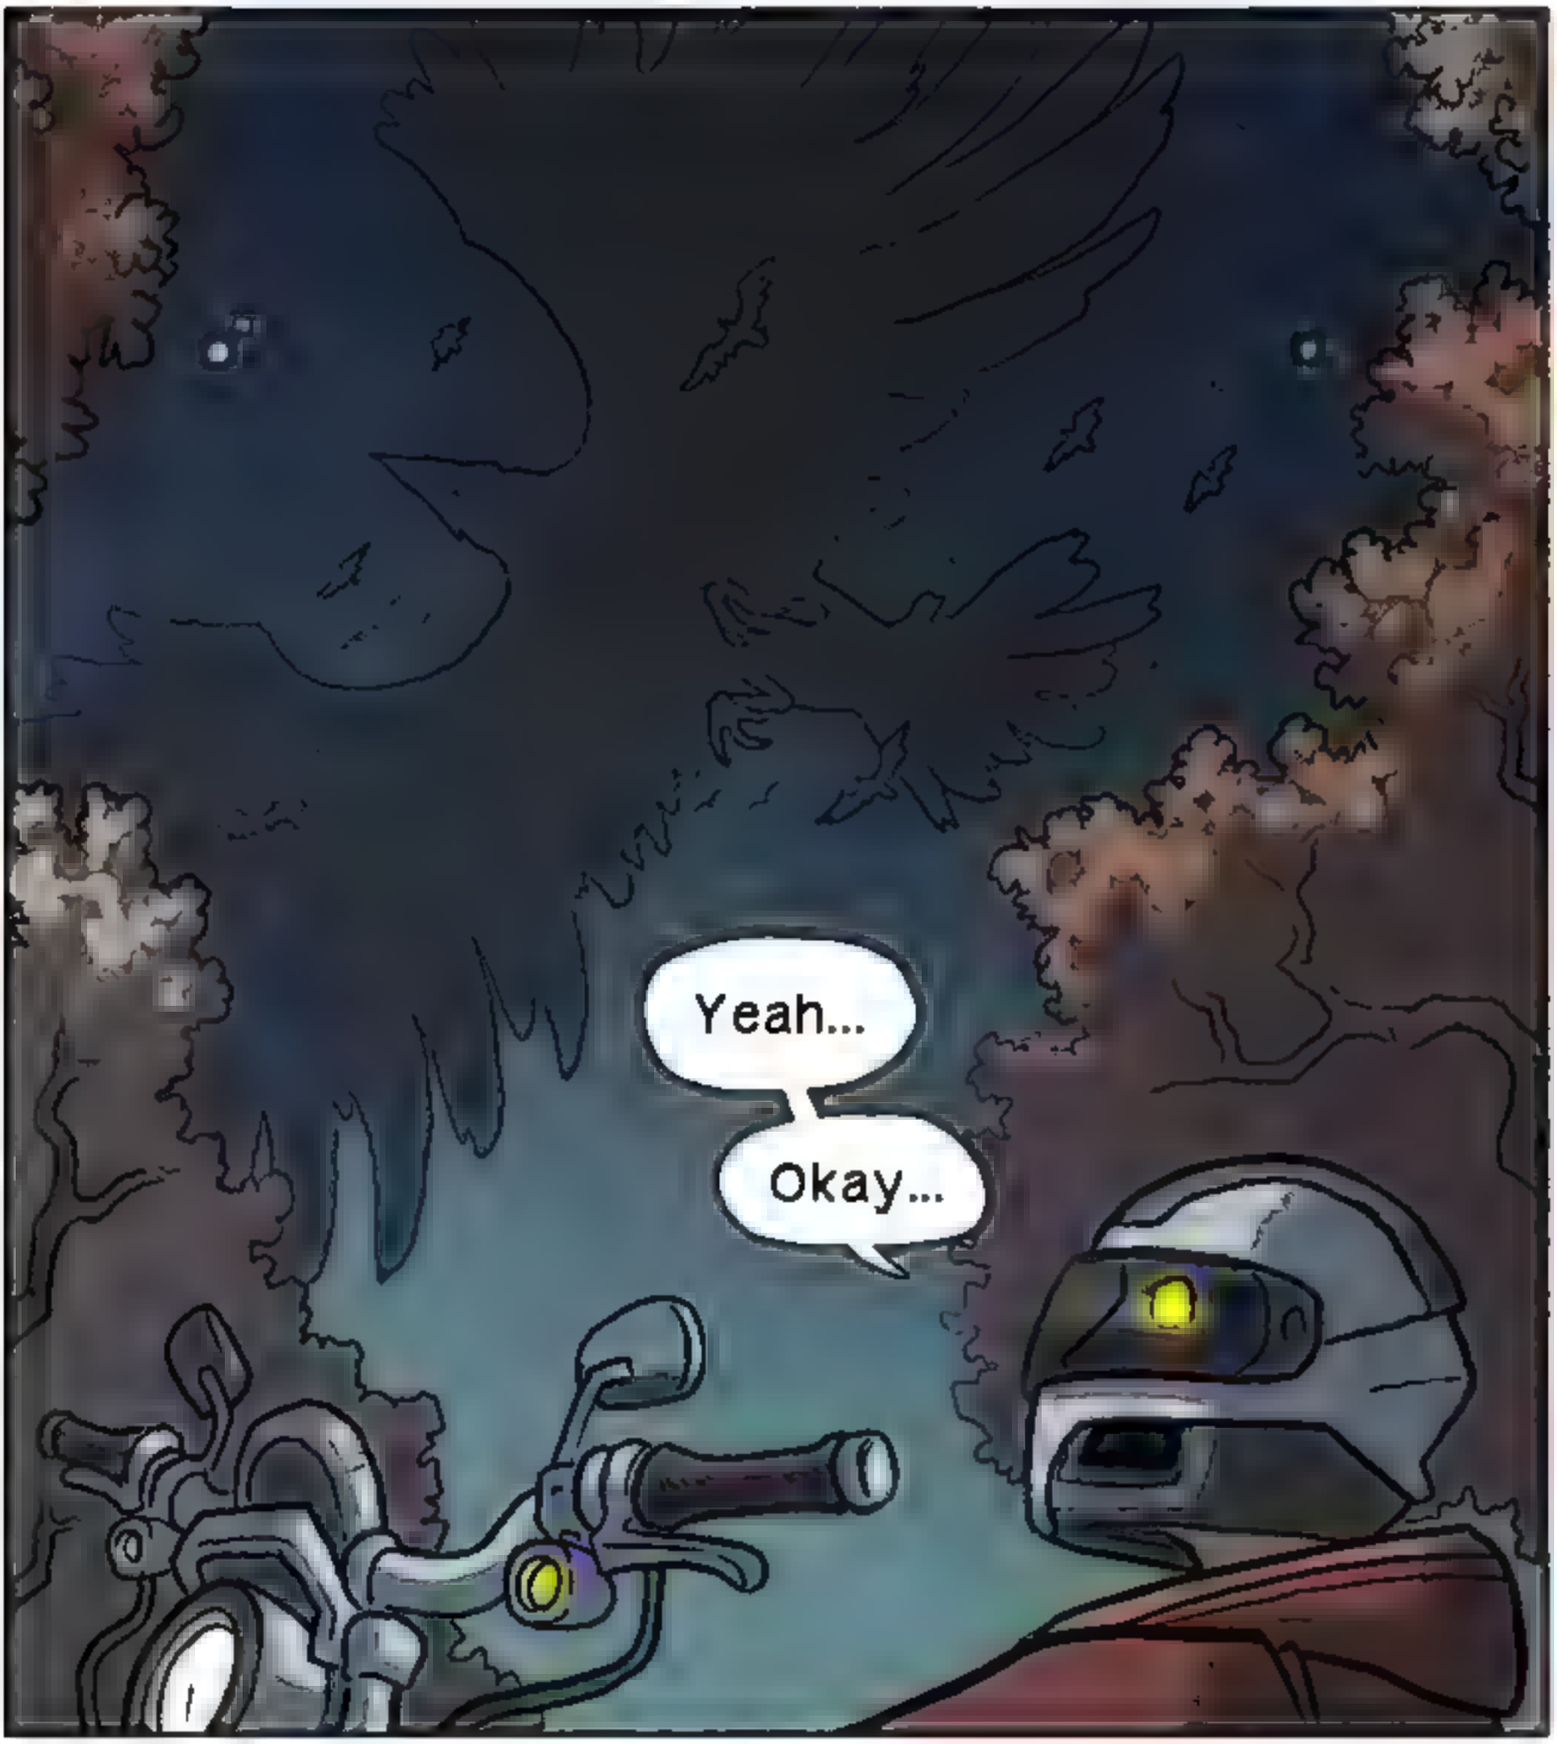




CRAW!



Caw
Caw



Yeah...
Okay...

I've got your distraction right here.
